Sarvadnya Infotech LLP

TALLY CERTIFIED PARTNER
3 Star Sales & Implementation

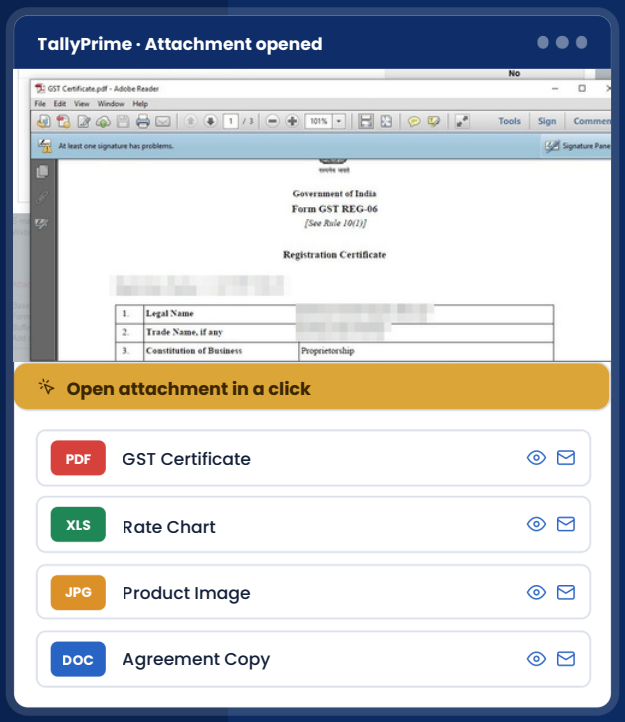

TALLYPRIME ADD-ON MODULE

FIND DOCUMENTS IN SECONDS!

Document Management System in **TallyPrime**

ATTACH - VIEW - EMAIL

Attach once. Open or email in a click. Every document, linked to every Transaction and Master — right inside TallyPrime.

Attach
One file or many, on any Transaction or Master.

Open / View
Open any attachment, from any screen.

Email
Share or re-share without leaving TallyPrime.

Made for businesses that run on paperwork

Chartered Accountants
Client records, always at hand.

C&F Agents
Consignment papers, sorted

CHAs
Clearance documents, ready

Transporters
Trip papers, linked to billing

Trusts & NGOs
Receipts and records, in order

Schools & Colleges
Admission and fee papers, organised

Any business with heavy documentation
Paperless, centrally stored, no overlap.

PAPERLESS. ORGANISED. ALWAYS READY.

Sarvadnya Infotech LLP

No More Audit Panic

Ready for audit throughout the year. Remote or on-premise, proof documents are **always ready** — no sitting with your CA just to present them, and for online audits, just a single click.

Remote | On-premise

Find Anything, Any Time

Stop depending on files and folders. Refer any (digital / paper) document, **view, print or email** it, and share or re-share with your clients or CAs — with every document centrally located, without overlapping.

View | Print | Email
